WHAT IS DIGITAL MAX?

- Reach potential customers by running ads across Google Search, Display, and YouTube.
- Digital Max is our one-stop shop for digital advertising. Reach your customers almost anywhere online.
- We work with you to create the graphics, ad descriptions, videos, headlines and more and set up campaigns through Google Ad Services that are shown across their network.
- The ads are designed to increase engagement and drive clicks to your website or traffic to your business.

DIGITAL MAX PACKAGES

Target your customers with this one-stop shop of digital marketing. Take advantage of our bundled pricing to market your business.

The greater your investment in Digital Max, the higher your potential return on investment

ESSENTIALS

$949 PER MONTH

Best for small businesses looking to target customers in Fort St. John and drive in-store visits or website clicks.

PREMIUM

$1,435 PER MONTH

Best for businesses looking to reach a wider audience in the B.C. Peace.

ELITE

$1,875 PER MONTH

Best for business with a more regional approach. This budget will allow Performance Max to drive the most amount of traffic to your store or website.

Each quarter, our creative team will work with you to update your ads. This includes new videos and images to help make sure your campaign is a success. The best part is the cost of ad design is included in your monthly cost.
